VISION & MISSION

VISION

To Provide quality education & good health care service of truly global standards. LCMCH is started with a vision to be a model for medical education, research, and to serve the people, with a special focus on the rural population. The aim is to provide the underprivileged with highly advanced medical facilities and educate them about prevention from illness.

MISSION

The mission of our medical College is to cultivate Compassionate, innovative and highly skilled doctors who are equipped to address the evolving health Care need, both for metropolitan & rural Settings. We in LCMCH are committed to providing a transformative educational experience that integrates cutting edge medical knowledge, evidence based practice and a deep understanding of patient centred care. By fostering critical thinking, ethical integrity and a passion for everlasting learning, we aim to empower our students to become champions in medicine who advance health equity and life expectancy in society.

Our institution is dedicated to creating a diverse and inclusive learning environment that reflects the society we serve. Through our curriculum we emphasize on didactic Lectures, hands on training, clinical experience and also prepare students to tackle complex medical emergencies.

To achieve this mission we uphold the highest standards of academic excellence and innovation through our faculty who are renowned educators and researchers. Our college aspires to shape the future of budding doctors by bridging the gap between science, technology and human Connection. At the end we aim to inspire medical generations who make a lasting impact on the Society & the world.

“A good education is a foundation for a better future.”

VALUES

Honesty and Integrity : We believe in being truthful and adhering to the highest ethical standards in personal and professional conduct.

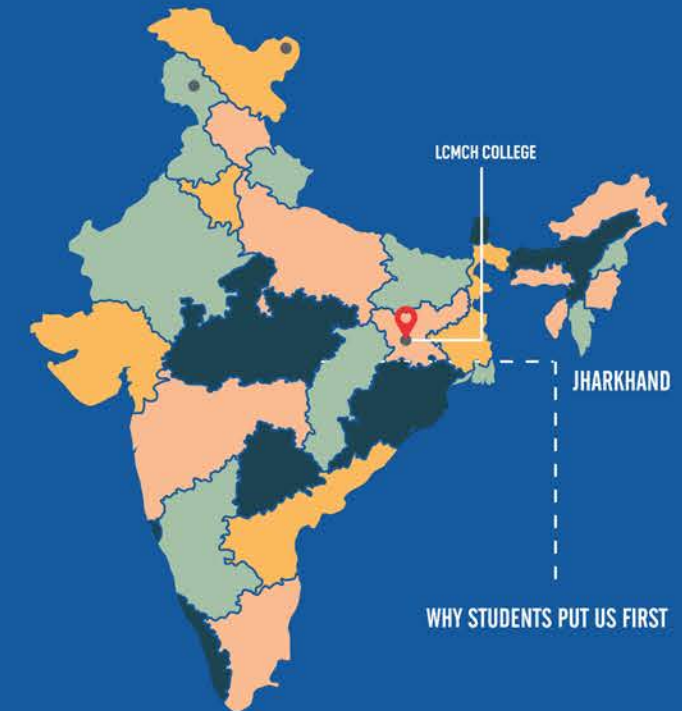

Empathy : We recognize the needs of human development and respect diverse social, cultural and economic perspectives.

Transparency : We believe in openness and assume responsibility as well as accountability in all our dealings and actions.

Freedom : We value the freedom of thought and expression to develop one's creativity and innovativeness in pursuit of academic excellence.

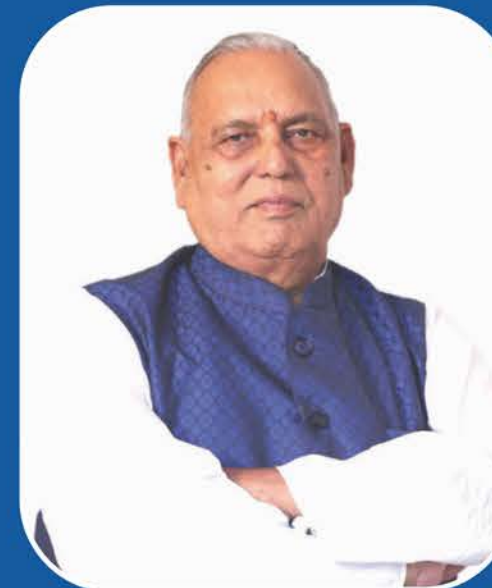

Respect : We foster a culture of respecting self and others.

Collaboration : We encourage teamwork and partnership in all endeavours for knowledge creation, acquisition and dissemination.

WHY STUDENTS PUT US FIRST

FOUNDER'S DESK

Chandravansi group of institution run by Ramchandra Chandravansi Welfare Trust (RCWT) has an inspiring journey since its inception in 2006. Since then the group has grown into an educational hub with 18 institutions in various fields providing excellent opportunity to the young minds to fulfill their ambitions. Whether it is technical/medical education, degree college, B.Ed./M.Ed. studies or school for boys and girls, the RCWT has always endeavored to fulfil the need of the aspiring minds of Palamu, Garhwa and large swath of adjoining areas of UP, Chhatisgarh, Bihar and other states of India.

At RCWT, we believe that education is not complete without simultaneous development of both body and mind. To this end, we have developed extensive infrastructure at Bishrampur including indoor and outdoor

stadiums with other compatible facilities catering to Co-curricular activities for all-round development of the young.

Our sustained and sincere efforts in building an excellent educational hub in one of the backward regions of our country have been recognised and we are very proud of being bestowed the responsibility of managing a University which would transcend all barriers and become a university of national character in letter and spirit..

With these few words, I wish to welcome the new batch of students who aspire to come here to build a bright future for themselves and their families.

Sri Ramchandra Chandravanshi
Chairman, RCWT, LCMCH

ABOUT LCMCH

By : National Medical Commission.

Laxmi Chandravansi Medical College & hospital was established to start MBBS Course with an aim to impart quality education in the field of Medical Science.

LCMCH got approval for 150 seats for the awards of Bachelor of Medicine & Bachelor of Surgery (M.B.B.S.) Degree by NMC, New Delhi. It is a Constituent College of Ramchandra Chandravansi University Bishrampur, Palamu, Jharkhand.

The College has been made over 20 Acre of Land and Equipped with over 655 Bedded Hospital. At Laxmi Chandravansi Medical College & Hospital we cater the needs of students by providing high quality Medical Education and training and we wish the students

to develop as a complete Doctor- full of sympathy and empathy for the suffering humanity.

There are two objects of medical education: one is to heal the sick, and other is the advancement of science. Our Medical College leverages the scientific capabilities, expertise and resources to provide the medical education fully focused on preparing physicians for the medicine of tomorrow.

We have dedicated and highly qualified teaching faculty members who at every step are ready to counsel the students.

Well-equipped laboratories, high-tech state of the art investigative facilities, including CT scan, and ICU at hospital campus provide the students with the needed facilities for teaching and training. The central library with a large number of books on varied fields of medical education, will recognised national & international Journals along with facility of digital library provides on extraordinary environment for learning and excellence in education.

LCMCH brings you a rare campus integration that opens up all times the vistas for you. Get a collective pool of resources, faculty mentorship, training opportunities and enriching collaborations at our campus. Get immerse in a pool of knowledge and begin an impactful life.

LEARN TODAY FOR BETTER TOMORROW

it take you conquer heights, **imagine** extra ordinary sights.

GROWTH AT CAMPUS

In the 21st century, with the progress in medical science people in general are living more years and mortality from infectious diseases has dramatically decreased but the rapid industrialization and proliferation of technology has produced negative effects on our environment resulting into newer types of non-communicable and lifestyle diseases, posing a great challenge to the medical fraternity.

The requirement of doctors for treating the sick and doing research to address this newer disease is increasing day by day all over the world including our country. Laxmi Chandravansi Medical College & Hospital already has so much to be proud of. Striving to excel in the fields of teaching, research and patient-care LCMCH has made a mark as a premier institute working at an accelerated pace continuously at converting new knowledge into tangible health benefits.

Renowned as an institution with a well-organized complement of senior faculty members from all over the country, the learning environment of LCMCH pulsates with the enthusiasm of making collaborative discoveries and innovations in health care, education and research.

At LCMCH Medical education does not exist to provide students with a way of making a living, but to ensure the health of the community.

Marching forward meticulously

Laxmi Chandravansi Medical College & Hospital perseveres to create, nourish and sustain an environment that is built on intellectual curiosity, sense of honor, social awareness and a healthy spirit of competition in the classrooms and residence halls, on the playing fields, and at meetings of clubs and organizations. At LCMCH the door is always open for an individual to become an integral part of the global community. We provide innovative, high-quality education through its well-recognized curriculum, emphasizing early clinical experiences, continuity as a guiding principle, integration of the basic and clinical sciences, and innovative teaching and learning methods such as small-group tutorials, standardized patients, computer-assisted instruction, clinical training models, and interactive lectures and laboratory exercises.

BEST COLLEGE CAMPUS IN JHARKHAND (INDIA)

BLENDING KNOWLEDGE SKILLS & RIGHT ATTITUDE TO ACHIEVE THE TARGET

INFRASTRUCTURE

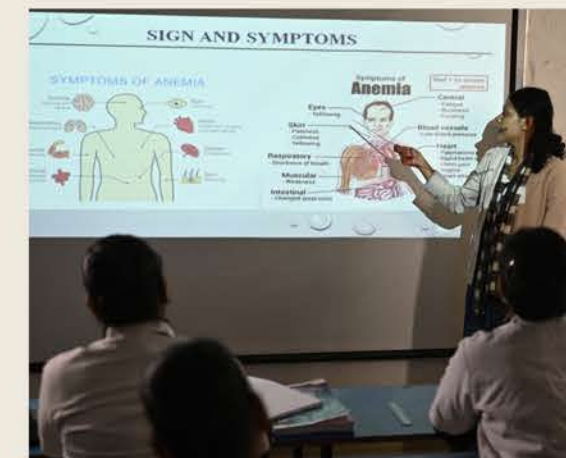

GO GLOBAL WITH LCMCH

SMART CLASSROOMS

The confines of a classroom can be dreary and monotonous to an imaginative and inquisitive mind. Therefore, the classroom have been made spacious, airy and well-equipped providing a conducive atmosphere for the students to learn with modern teaching practices.

LIBRARY

For an inquisitive and open mind there is nothing better than a library to quench the thirst for information and knowledge. At LCMCH, we recognize this need and have provided a vast array of books ranging on topics from courses to general interest and specific requirement in our library. It has a collection of thousands of books covering text and reference material. Over 7000 books & 70+ subscriptions to hard copy journals and periodicals are available including newspapers, magazines, question banks etc.

CAFETERIA

Students need their fair share of time to let their hair down and engage in some good natured friendly interactions. To facilitate this whip of fresh air in an otherwise demanding day, we have consciously made our cafeteria an inviting affair for a quick bite and a relaxing time for friends.

STUDY THE ART OF HEALING

SPORTS & FITNESS

Ample opportunity is afforded to students to flex their muscles and indulge in sporting activities: both indoor and outdoor, like Cricket, football, Kabbadi, Basketball, Volleyball, Table Tennis and many more. We have a full size outdoor stadium and a state-of art indoor stadium for this purpose. In addition to being a source of rejuvenation, they also contribute toward building a healthy them spirit and improve group dynamics.

MEDICAL FACILITIES

To provide appropriate and quick medical attention to the students, it is necessary to have good medical facility inside the campus. A 450 bedded hospital titled Laxmi Chandravansi Medical College and Hospital is within the campus and fulfils this important need. The on-campus medical hospital with trained doctors and nurses in attendance ensures the well being of the students.

SECURITY

Security of our students and faculty while on campus is an aspect where there cannot be any compromise. Attentive and vigilant security staff in the form of ex-defence personnel is employed at the institute to keep any miscreants and troubles at bay. Round the clock vigilance is maintained in a professionally supervised manner to offer the safest and most congenial environment to our students within the campus.

THE FUTURE BEGINS HERE

HOSTEL

We have made excellent in-campus arrangement of lodging & boarding for students, making the students feel welcome and relaxed. separate hostels have been provided for boys and girls. The hostel facilities have been planned and built in a manner that provide the necessary calm and serenity combined with the perfect ambiance and essential amenities for a life of comfort for the students.

Girls Hostel

Boys Hostel

LEARN TO SERVE HUMANITY WITH US..!

TRANSPORT

The college provides bus facilities for staff and students. Buses are regularly provided for field visits and camps for students.

SEMINAR ROOM

The Air-conditioned Seminar Room with a seating capacity of 150 serves as a common meeting ground for all kinds of curricular and co-curricular activities. Equipped with the latest audio-visual equipment, it is the perfect place where thoughts are translated into actions.

LABORATORIES

We firmly believe in providing the right mix of theoretical and practical knowledge. Thus, state-of-art laboratories and workshops are an integral part of our various institutes. Each department across the institutes maintains its specialised laboratories equipped with the latest instruments as per the current technological norms. The equipments are upgraded regularly to conform with the industry standards

IT INFRASTRUCTURE & COMPUTER CENTRE

The computer center is equipped with latest configuration with a round-the-clock unbridled high speed internet system. All the machines making up the computing facilities are kept up-to-date with latest hardware configuration and software version.
